QUUeer Fête is Baton Rouge's queer music festival.

Saturday, October 17, 2026 · Unitarian Church of Baton Rouge

Live music, local food, drag, a pop-up bookstore, and a few hundred neighbors celebrating queer music, culture, and history. Family-friendly, alcohol-free, and run entirely on community support.

WHERE YOUR SUPPORT GOES

Sponsorships keep tickets affordable (we price them \$0 to \$50 so no one is priced out), pay our performers, and cover what it takes to put the day on, from the stage to the sound to the porta-potties.

At a moment when LGBTQIA+ people are feeling less secure, your support says: this community is not alone.

WAYS TO PITCH IN

Chip in cash

Any amount, no minimum. It pays for the stage, the sound, and the rest of the night.

Goods or services

Give what you already do best. Print our signs, cater a tent, lend a service. In-kind help often goes further than cash.

A raffle prize

Something people want to win. Raffle prizes turn into real money on the night of the event.

Last year, local businesses made it happen, from the porta-potties to the raffle table, and a few hundred neighbors showed up. Yours could be one of them.

Many bricks make a wall. The more of us, the stronger the wall of support.

Every sponsor shows the LGBTQIA+ community how many people, businesses, and leaders stand with them.

HOW WE SAY THANK YOU

-  Your name on the wall, the same size as everyone else
-  A thank-you post on our socials
-  A listing on our website, linked to your business
